The Subpart X call is Thursday finishing at 1:30pm.

Hey everyone,

Presumably, Laura and Jane Williams will use this as the basis for a discussion with us. I am impressed by the content and even more so with their efforts to commission a study with NAS for alternative treatment technologies (they did this once before, and are looking to update with the most recent info). We should go over this together tomorrow in our team meeting and see what kind of questions we would like to ask.

I would like to schedule a call with them Thursday afternoon, so please let me know your availability.

Thanks!

Hi Sasha,  
Sure. Here is the briefing that we submitted to Region 5. Was there something else?

Hello Ms. Olah,

I did receive your voicemail this week – my apologies for not getting back to you sooner. You had mentioned in your voicemail that you would be emailing some materials to me. Will you be able to send them soon? It would be helpful if we had the opportunity to review the materials prior to our conference call.

Thank you,  
Sasha
